CONTACT US BEFORE SHIPPING

Shipping directly to your stand

Please note that the venue does not receive, customs clear or store incoming shipments. If companies intend to ship goods directly to their stand, they need to be there in order to sign off the delivery note of their transport company.

Non-Eu shipments

In case of non-EU shipment an importer of the record is needed and shipments cannot be consigned directly to the venue as otherwise they will get stuck at customs.

Restricted goods (non-EU only)

The following products are **restricted** by Spanish Customs/Health Authorities, please contact us before shipping any of these:

- **Foodstuff/ beverage** (incl. sweets, mint tablets)
- **All products to be in contact with foodstuff / beverage** (e.g., cups, mugs, bags, cutlery, empty bottles/ empty recipients)
- **Pharmaceutical and medical products or equipment** (incl. hand sanitizers & masks)
- **Toys** (like fidget spinners & teddy bears)
- **Cosmetics**
- **Medicines**
- **Plants**
- **Live animals**

All products to be imported must comply with EU regulations, and CE marking when required.

Therefore

before shipping any items, the sender needs to get in touch with Resa Expo Logistics in order to receive all relevant information regarding transport, labelling, customs, deadlines etc. as well as tariffs and the necessary forms to book their services.
